After a long time, late in the afternoon, old Hound came trudging up the valley. He stopped now and then and sniffed. He sat down on the hillside beside the scar in the ground, resting his tired legs. He studied the ground where some crumbs of fresh dirt lay and the grass was bent. He stroked the bent grass to straighten it. He got to his feet at last, went for a drink of the clear brown water under the willows, and set off down the valley towards the mine..above the sea..took none against their will, their parents or masters seldom knew the truth: Tern was a fisherman. The roasting pit took up the center of a huge domed chamber. Hurrying, sticklike figures black. For a long time nobody would touch him. He had fallen down in a fit in San's doorway. He lay there now like a dead man. But the curer from the south said he wasn't dead, and was as dangerous as an adder. San told how Otak had put a curse on Sunbright and said some awful words that made him get smaller and smaller and wail like a stick in the fire, and then all in a moment he was back in himself again, but sick as a dog, as who could blame him, and all the while there was this light around the other one, Otak, like a wavering fire, and shadows jumping, and his voice not like any human voice. A terrible thing..out to be a thief. I mean, there ought to be a little trust." Dragonfly found the village witch taking maggots out of an infected cut on a sheep's rump. The witch's use-name was Rose, like a great many women of Way and other islands of the Hardic Archipelago. People who have a secret name that holds their power the way a diamond holds light may well like their public name to be ordinary, common, like other people's names..stool beside his at the high desk..went to the door to see what she loved best to see, the sky before sunrise. Looking down from it. here, Irian, you do us and yourself harm. Everything not in its own place does harm. A note sung..altogether. . . I was just going when you sat down." She was getting used to his strange face now and was able to read it. She thought that he looked." Sitting with old Ferny. She died this afternoon, Mother will be there all night. But how did you get here?" "Why so, Tern?" "There will I go.." "Because there are more of us! Gather twenty or thirty people of power in a room, they'll each. pedestrian. Between black silhouettes was a glow, which I thought might be a hotel. It was only. name. The knowledge can be evoked and the gift received only under certain conditions, at the." "They said you should give me my name," said Dragonfly. "Father fell to raging. So that's that." Azver frowned. "The Doorkeeper admitted you because you asked," he said. "I brought you to the Grove because the leaves of the trees spoke your name to me before you ever came here. Irian, they said, Irian. Why you came I don't know, but not by chance. The Summoner too knows that." few steps he doubled over and vomited on the ground..She said nothing, laying out what was in the basket, dividing it for the two of them.." "Good," he said, and that was the last word he spoke to Ivory..wherever here was, or anywhere. There had been black roads and dropping slopes and a vast green." Irian, here's what you must do to enter the Great House..." Maybe it was to escape the hunt that Medra came to Pendor, a long way west of the Inmost Sea, or maybe some rumor among the women of the Hand on Hosk sent him there. Pendor was a rich island, then, before the dragon Yevaud despoiled it. Wherever Medra had gone until then, he had found the lands like Havnor or worse, sunk in warfare, raids, and piracy, the fields full of weeds, the towns full of thieves. Maybe he thought, at first, that on Pendor he had found Morred's Isle, for the city was beautiful and peaceful and the people prosperous.." He does. The Changer absorbed that with a look of real amazement; but he did not question the Doorkeeper. He said only, "But not among the students." Changer's face remained stern, but he blinked, and after a little thought said, "I'm sure - yes -. Nothing happened as he said the words Ard had taught him, his old witch-teacher with her bitter mouth and her long, lean arms, the words spoken awry then, spoken truly now..back to the seacoast, where Maharion's army awaited them. No ship of the fleet returned to Karego-. Women who work magic may practice periods of celibacy as well as fasting and other disciplines. If the young sorcerer was seeking experience, he did not get much at Westpool. Whenever Birch had. need be, I'll do it, of course. But you'll find wizards very sparing of the great spells. For good. They jolted on all the next day through a summer thundershower or two and came at dusk to Kembermouth, a walled, prosperous port city. They left the carter to his master's business and walked down to find an inn near the docks. Dragonfly looked about at the sights of the city in a silence that might have been awe or disapproval or mere stolidity. "This is a nice little town," Ivory said, "but the only city in the world is Havnor." softly in the tops of tall trees, on beyond the gardens..dragon feed on?". They sat unspeaking. The crisis passed. Heleth relaxed a little and even smiled. "Very old stuff," he said, "what I'll be doing. I wish now I'd thought about it more. Passed it on to you. But it seemed a bit crude. Heavy-handed ... She didn't say where she'd learned it. Here, of course ... There are different kinds of knowledge, after all." Language of the Making, dated back to a time before the separation. The best evidence in the poem. And he was easy, he was still, he held fast, rock in rock and earth in earth in the fiery dark of the mountain..Neither of them had been on Pody. It was a sleepy southern island with a pretty old port town..Highdrake took Medra as his student, gratefully. "I was taught my art by a mage who gave me freely all he knew, but I never found anybody to give that knowledge to, until you came," he told Medra. "The young men come to me and they say, "What good is it? Can you find gold?" they say. "Can you teach me how to make stones into diamonds? Can you give me a sword that will kill a dragon? What's the use of talking about the balance of things? There's no profit in it," they say. No profit!" And the old man railed on about the folly of the young and the evils of modern times..himself again, but sick as a dog, as who could blame him, and all the while there was this light. Before their marriage, a mage or wizard, whose name is never given except as the Enemy of Morred. might be able to. I can feel it building up, can you?". He stopped and felt the dirt under his feet. He was barefoot, as usual. When he was a student on Roke, he had

worn shoes. But he had come back home to Gont, to Re Albi, with his wizard's staff, and kicked his shoes off. He stood still and felt the dust and rock of the cliff-top path under his feet, and the cliffs under that, and the roots of the island in the dark under that. In the dark under the waters all islands touched and were one. So his teacher Ard had said, and so his teachers on Roke had said. But this was his island, his rock, dust, dirt. His wizardry grew out of it. "My mastery is here," the boy had said, but it went deeper than mastery. That, perhaps, was something Dulse could teach him: what went deeper than mastery. What he had learned here, on Gont, before he ever went to Roke..It looked very old. It had been rebuilt and rebuilt again, but not for a long time. Nor had anyone lived in it for a long time, from the feel of it. But it was a pleasant feeling, as if those who had slept there had slept peacefully. As for decrepit walls, mice, cobwebs, and scant furniture, none of that was new to Irian. She found a bald broom and swept out a bit. She unrolled her blanket on the plank bed. She found a cracked pitcher in a skew-doored cabinet and filled it with water from the stream that ran clear and quiet ten steps from the door. She did these things in a kind of trance, and having done them, sat down in the grass with her back against the house wall, which held the heat of the sun, and fell asleep..bracelets and bangles that flashed and crashed when she flicked out an impatient spell. At times.They they fished for whales, as they still do. That was a trade he wanted no part of.
