Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it was neglected or

actively suppressed by their society and government. Except as an evil to be dreaded and shunned, magic plays no recognized part in their society. This inability or refusal to practice magic puts the Kargs at a disadvantage with the Archipelagans in almost every respect, which may explain why they have generally held themselves aloof from trade or any kind of interchange, other than piratical raids and invasions of the nearer islands of the South Reach and around the Gontish Sea..of Ard's was no son of his, had nursed his rage and died unforgiving..He helped her stand. He made no spell to protect or hide them. His strength had been used up. And though there was a great magery in her, which had brought her with him every step of that strange journey into the valley and tricked the wizard into saying his name, she knew no arts or spells, and had no strength left at all..There was the silence. Then a fish leapt from the black, shaking water, a white-grey fish the blazing yellow in the grass. Children on Havnor knew that flower. They called it sparks from the sun. It was broad day and raining when her last hard breath was not followed by another.. "No need," he said in that distant way, as if he hardly knew what she was talking about; but then he said, "You work very hard.."along the oaken banister-rail. "Can you do that coming down?" Golden asked, and Diamond said,..all. Not sneaking about at night and no one knowing..." "Yes," she said. "I'm sorry." Her hand was still on his knee. She said, "We can make love if you want.." "I'll be in the Grove," she said. "And my heart with you, my dark otter, my white tern, my love, Medra.."It was Golden's grandest party yet, with a dancing floor built on the town green down the way from her smiling, exhausted face, then, suddenly, as if something had got in the way, her outline..corner, into the interiors of the passageways that glided by, into the features of the people. The fought..for the reins. Ivory saw that he was supposed to dismount. He did so, asking, "Is it very bad?" That is a stony matter," said the Namer..the water could be drunk unless you boiled it an hour, except what came from the wells, hers here..was silent, and Otter watched him with staring intensity, still trying to understand..circular dome that breathed light -- from pink to carmine, from carmine to pink -- we went out..He had given her a little warmth when she was cold.
