What the commodifiers of fantasy count on and exploit is the insuperable imagination of the reader, child or adult, which gives even these dead things life-of a sort, for a while..He pressed his right ear to the door, held his breath, heard nothing, and addressed the top lock first. Quietly, he slid the thin pick of the lock-release gun into the key channel, under the pin tumblers..That Olympian purge had, however, made him appear to be both emotionally and physically devastated by the loss of his wife. He couldn't have calculated any stratagem more likely to convince most.At last: the humiliating backless gown, the precious drugs, even a pretty nurse who seemed to like him, and then

oblivion..The disease hadn't corrupted her heart, and it had left her face untouched, as well. Lovely, she was, as she had always been..Junior held the silencer-fitted 9-mm pistol under his left arm, clamped against his side, freeing both hands to use the automatic pick..Maybe his pursuit of the matter sprang from mere curiosity, the desire to discover what a child of his might look like; however, if something else lay behind his interest, the motivation would not be benign. Whatever Cain's intentions, he would prove to be at least an annoyance to Celestina and the little girl-and possibly a danger..When Junior checked his Rolex, he realized that he didn't know how long he'd been sitting here since Ichabod had driven off in the Buick. Maybe one minute, maybe ten.. "Thank you, Dr. Lipscomb. I'll keep track of what you're losing every month, and someday I'll pay it back to you."..He couldn't see into the next aisle through the gaps between rows of books, because the shelves had solid backs..Junior hadn't paid attention to everyone who visited the pianist though surely he'd have noticed a certain stump in a cheap suit.. "I can do this with just a very little Novocain," she said, "so your mouth won't be numb for dinner."..After staring at the coins for a long moment, Kathleen said, "I don't think any mystery writer has ever done a series of novels about a priest detective who's also a magician.".. "Maybe he could if he was able to lift it, but I couldn't throw a pig or an Oreo or anything else into any other place. It's just not something I know how to do."..Agnes's faith told her that the world was infinitely complex and full of mystery, and in a peculiar way, Barty's talk of infinite possibilities supported her belief and gave her the comfort to sleep. Monday morning, New Year's Day, Agnes carried two suitcases out of the back door, set them on the porch, and blinked in surprise at the sight of Edom's yellow-and-white Ford Country Squire parked in the driveway, in front of the garage. He and Jacob were loading their suitcases into the car..Pecan cakes, cinnamon custard pies boxed in insulated coolers, gifts wrapped with bright paper and glittery ribbons. Agnes Lampion made deliveries to those friends who were on her list of the needful, but also to friends who were blessed with plenty. The sight of each beloved face, each embrace, each kiss, each smile, each cheerfully spoken "Merry Christmas" at every stop fortified her heart for the sad task awaiting her when all gifts were given..He could recall clearly when he had known that he would marry her: during his first year of college, when he'd returned home for the Christmas break. Away at school, he had missed her every day, and the moment that he saw her again, an abiding tension left him, and he felt at peace for the first time in months..Kathleen Klerkle, Mrs. Wulfstan, sitting on the edge of Nolly's desk, looked diagonally across it at the visitor in the client's chair. Actually, Nolly had two chairs for clients. Kathleen could have sat in the second; however, this seemed to be a more appropriate pose for a hawkshaw's dame. Not that she was trying to look cheap; she was thinking Myrna Loy as Nora Charles in *The Thin Man*-worldly but elegant, tough but amused.. "Everyone knows about Vanadium. He's a crusader, self-appointed champion of truth, justice, and the American way. A holy fool, if you will. With the case closed, he has no authority to harass you."..Academy of Art College and might have met Celestina White. The critiques of her paintings.Exactly. The shock. The devastating loss. Junior felt it now, anew, and was afraid he might betray himself with tears, although he seemed to be done with vomiting..Into Barty's darkness came light that he had not sought. He saw his smiling Mary on his lap as she lowered her hands from his temples, saw the faces of his family, the table set with Christmas decorations and many candles flickering..Edom's twin, Jacob, who had never held a job, lived in the second apartment. He'd been there since graduating from high school..The night of Barty's birth, when Joey actually lay dead in the pickup-bashed Pontiac, as a paramedic had rolled Agnes's gurney to the back door of the ambulance, she had seen her husband standing there, untouched by that rain as her son was untouched by this. But Joey-dry-in-the-storm had been a ghost or an illusion fostered by shock and loss of blood..Cypresses lined the entry drive to the cemetery. Tall and solemn, the trees kept guard, as though posted to prevent restless spirits from roaming out into the land of the living..Finally, only thirty miles south of Spruce Hills, he reluctantly acknowledged that slow deep breathing, positive thoughts, high self esteem, and firm resolve weren't sufficient to subdue his treacherous bowels. He needed to find lodging for the night. He didn't care about a swimming pool or a king-size bed, or a free continental breakfast. The only amenity that mattered was indoor plumbing..stopped by to help Agnes, and some offered to stay with her at night. She gratefully accepted assistance with the housecleaning, laundry, and shopping, but she declined the all-night company because of her dreams..He wanted to say: The vain, power-mad politicians who milk cheers from ignorant crowds, the sports stars and preening actors who hear themselves called heroes and never object, they should all wither with shame at the mention of your name. Your vision, your struggle, the years of grueling work, your enduring faith when others doubted, the risk you took with career and reputation--it's one of the great stories of science, and I'd be honored if I could shake your band..Celestina had a delayed reaction to Barty's name. An odd look came over her. "Barty? Short for ... Bartholomew?".Chastened by these recent events, he vowed to stop meditating, to void all passive responses to the challenges of life. He must explore the unknown rather than flinch from it in fear. Besides, through his explorations, he would prove that the unknown was all just tapioca or applesauce, or whatever..He lived high, on Russian Hill, in a limestone-clad building with carved Victorian detail. His one-bedroom unit included a roomy kitchen with breakfast nook and a spacious living room with windows looking down on twisty Lombard Street..The two bereaved women huddled at one end of the living room, tearful, touching, talking quietly, wondering together if there was any way that each could help the other to fill this sudden, deep, and terrible hole in their lives..Because he genuinely liked women and hoped always to please them, always to be discreet and chivalrous and giving, Junior did as she wished, spinning a vivid account of the grisly vengeance he would take if ever Seraphim told anyone what he'd done to her. Vlad the Impaler, the historical inspiration for Brain Stoker's *Dracula*--thank you, Book-of-the-Month Club--could not have imagined bloodier or more horrific tortures and mutilations than those that Junior promised to visit upon the reverend, his wife, and Seraphim herself Pretending to terrorize the girl excited him, and he was perceptive enough to see that she was equally excited by pretending to be terrorized..Those words, in a vertiginous spiral, spooled through the memory tapes in Junior's mind, as clear and powerfully affecting-and every bit as alarming-as the memory flash of the ordeal in the Dumpster. He couldn't recall where he'd heard them, who had spoken them, but revelation trembled tantalizingly along the rim of his mind..People like Enoch Cain, of course, never choose between the right and the wrong thing, but between two evils. For themselves, they create world after world of despair. For others, they make worlds of pain..Behind them, two shots roared, and Paul knew that the reverend was no longer of this world.. "Who...who're you?" Junior rasped, still badly rattled by the nightmare and by Vanadium's presence, but quick-witted enough to stay within the clueless character that he had been playing..The second ring was followed by a click, and then a familiar droning voice said, "Hello. I'm Thomas Vanadium-".He looked at the two cards following the four of clubs in the stack. Neither of these was a jack of spades, either, and both were what he anticipated..Celestina often thought of his wife and twin boys-Rowena, Danny, and Harry--dead in that airliner crash six years ago, and sometimes she was pierced by a sense of loss so poignant that they might

have been members of her own family. She grieved as much over their loss of Wally as over his loss of them, and as blasphemous as the thought might be, she wondered why God had been so cruel as to sunder such a family. Rowena, Danny, and Harry had crossed all waters of suffering and lived now eternally in the kingdom. One day they would all be rejoined with the special husband and father they had lost; but even the reward of Heaven seemed inadequate compensation for being denied so many years here on earth with a man as good and kind and big of heart as Walter Lipscomb.
