And he had learned a man's name..of gifts and in pledge of peaceful intent, Erreth-Akbe went alone to the City of the Kings on. They were both shy. When Medra took her hand his hand shook, and Ember, whose name was Elehal, turned away scowling. Then she touched his hand very lightly. When he stroked the sleek black flow of her hair she seemed only to endure his touch, and he stopped. When he tried to embrace her she was stiff, rejecting him. Then she turned and, fierce, hasty, awkward, seized him in her arms. It wasn't the first night, nor the first nights, they passed together that gave either of them much pleasure or ease. But they learned from each other, and came through shame and fear into passion. Then their long days in the silence of the woods and their long, starlit nights were joy to them..didn't like to presume. Whatever he was, he wasn't a beggar by choice..the gardens and the fields beyond them; beyond the fields were the high trees, and the swell of..wouldn't have left the greatest of all the lore-books among boors who'd make that of it! Take us center of the world..sad. His way of speaking was harsh, quick, dry, peaceable. The men of the Isle are not always..She tried to sit up again, looking up, but the shaking and shuddering seized her and wracked her. She began to gasp for breath. In the red light that shone now from the crest of the mountain and all the eastern sky he saw the foam and spittle run scarlet from her mouth. Sometimes she clutched at him, but she did not speak again. She fought her death, fought to breathe, while the red light faded and then darkened into grey as clouds swept again across the mountain and hid the rising sun. It was broad day and raining when her last hard breath was not followed by another.."But you do have a talent.."healing, animal husbandry, dousing, mining and metallurgy, planting and growing spells, love.the outlay and the income, the profit and the loss.."He does. But, admitting it unlikely, admitting it impossible - if we did defeat him - if he went back into death and left us here alive - what would we do? What comes next?"..regret her rash invitation, and I wanted to make things easy for her..He had tried to look at Ember as untouchable while he longed to touch her soft brown skin, her black shining hair. When she stared at him in sudden incomprehensible challenge he had thought her angry with him. He feared to insult, to offend her. What did she fear? His desire? Her own?- But she was not an inexperienced girl, she was a wise woman, a mage, she who walked in the Immanent Grove and understood the patterns of the shadows!"I should go," she said. "I can walk in the Grove, but not live there. It isn't my - my place. And the Master Chanter said I did harm by being here.."by.."apparently on contact with air. She sat down and, touching the glass with her lips, casually asked..When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the tune would come as part of the name, and he would sing out so clearly-- for his voice had re-established itself as a strong, dark tenor -- that Hemlock winced. Hemlock's was a very silent house..When she laughed, her thin face got bright, her thin mouth got wide, and her eyes disappeared..can't go with her- Can't you go there?" She broke away from Rush, looking again at Tern. "You can.of rock and earth. It was as if he walked in a great building, seeing its
