We're the ideal location to get for your publication that is referred. And your time to obtain this specific guide as among the compromises has become ready. So the prefect carried him up to the Sultan and he said, "I have an advertisement for thee, O my lord." "What is thine advertisement?" asked the Sultan; and the thief said, "I repent and will deliver into thy hand all who are evildoers; and whomsoever I bring not, I will stand in his stead." Quoth the Sultan, "Give him a dress of honour and accept his profession of repentance." So he went down from the presence and returning to his comrades, related to them that which had passed and they confessed his subtlety and gave him that which they had promised him. Then he took the rest of the stolen goods and went up with them to the Sultan. When the latter saw him, he was magnified in his eyes and he commanded that nought should be taken from him. Then, when he went down, [the Sultan's] attention was diverted from him, little by little, till the case was forgotten, and so he saved the booty [for himself]. The folk marvelled at this and the fifteenth officer came forward and said, 'Know that among those who make a trade of knavery are those whom God the Most High taketh on their own evidence against themselves.' 'How so?' asked they; and he said..28. Hatim Tai; his Generosity after Death dxxxi.?Story of the Merchant and His Sons..? ? ? ? The Lord's alternatives are these, wherewith He's wont The needy wretch to ply and those in sore duresse..There came one day an old woman [to the stuff-market], with a casket of precious workmanship, containing trinkets, and she was accompanied by a damsel great with child. The old woman sat down at the shop of a draper and giving him to know that the damsel was with child by the prefect of police of the city, took of him, on credit, stuffs to the value of a thousand dinars and deposited with him the casket as security. [She opened the casket and] showed him that which was therein; and he found it full of trinkets [apparently] of price; [so he trusted her with the goods] and she took leave of him and carrying the stuffs to the damsel, who was with her, [went her way]. Then the old woman was absent from him a great while, and when her absence was prolonged, the draper despaired of her; so he went up to the prefect's house and enquired of the woman of his household, [who had taken his stuffs on credit;] but could get no tidings of her nor lit on aught of her trace..67. The Khalif El Hakim and the Merchant dcliii.? ? ? ? ? ? ? ? ? ja. Story of David and Solomon dcccxcix.[When the king returned to his palace,] he went in to his wife Shah Khatoun and said to her, 'I give thee the glad news of thine eunuch's return.' And he told her what had betided and of the youth whom he had brought with him. When she heard this, her wits fled and she would have cried out, but her reason restrained her, and the king said to her, 'What is this? Art thou overcome with grief for [the loss of] the treasure or [for that which hath befallen] the eunuch?' 'Nay, as thy head liveth, O king!' answered she. 'But women are fainthearted.' Then came the servant and going in to her, told her all that had befallen him and acquainted her with her son's case also and with that which he had suffered of stresses and how his uncle had exposed him to slaughter and he had been taken prisoner and they had cast him into the pit and hurled him from the top of the citadel and how God had delivered him from these perils, all of them; and he went on to tell her [all that had betided him], whilst she wept..Now the treasuries aforetime had been in the viziers' hand, so they might do with them what they would, and when they came under the youth's hand, that of the viziers was straitened from them, and the youth became dearer to the king than a son and he could not brook to be separated from him. When the viziers saw this, they were jealous of him and envied him and cast about for a device against him whereby they might oust him from the king's favour, but found no opportunity. At last, when came the destined hour, (101) it chanced that the youth one day drank wine and became drunken and wandered from his wits; so he fell to going round about within the palace of the king and fate led him to the lodging of the women, in which there was a little sleeping-chamber, where the king lay with his wife. Thither came the youth and entering the chamber, found there a couch spread, to wit, a sleeping place, and a candle burning. So he cast himself on the couch, marvelling at the paintings that were in the chamber, and slept and slumbered heavily till eventide, when there came a slave-girl, bringing with her all the dessert, eatables and drinkables, that she was wont to

make ready for the king and his wife, and seeing the youth lying on his back, (and none knowing of his case and he in his drunkenness unknowing where he was,) thought that he was the king asleep on his bed; so she set the censuring-vessel and laid the essences by the couch, then shut the door and went away..Thus," continued Shehrzad, "none is safe from the calamities of fortune and the vicissitudes of time, and [in proof of this], I will relate unto thee yet another story still rarer and more extraordinary than this. Know, O King, that one said to me, 'A friend of mine, a merchant, told me the following story. Quoth he,.Next morning, the old woman said to him, 'When the lady cometh to thee, do thou arise and kiss her hand and say to her, "I am a strange man and indeed cold and hunger slay me;" so haply she may give thee somewhat that thou mayst expend upon thy case.' And he answered, 'Hearkening and obedience.' Then she took him by the hand and carrying him without her house, seated him at the door. As he sat, behold, the lady came up to him, whereupon the old woman rose to her and Selim kissed her hand and offered up prayers for her. Then he looked on her and when he saw her, he knew her for his wife; so he cried out and wept and groaned and lamented; whereupon she came up to him and cast herself upon him; for indeed she knew him with all knowledge, even as he knew her. So she laid hold of him and embraced him and called to her serving-men and attendants and those who were about her; and they took him up and carried him forth of that place..Meanwhile, the people of the city rejoiced and were glad and blessed the vizier's daughter, marvelling for that three days had passed and that the king had not put her to death and exulting in that, [as they deemed,] he had turned [from his purpose] and would never again burden himself with blood-guiltiness against any of the maidens of the city. Then, on the fourth night, she related to him a still more extraordinary story, and on the fifth night she told him anecdotes of kings and viziers and notables. On this wise she ceased not [to do] with him [many] days and nights, what while the king still said in himself, 'When I have heard the end of the story, I will put her to death,' and the people waxed ever in wonder and admiration. Moreover, the folk of the provinces and cities heard of this thing, to wit, that the king had turned from his custom and from that which he had imposed upon himself and had renounced his heresy, wherefore they rejoiced and the folk returned to the capital and took up their abode therein, after they had departed thence; yea, they were constant in prayer to God the Most High that He would stablish the king in that his present case; and this," said Shehrzad, "is the end of that which my friend related to me." ? ? ? ? A dark affair thou listest up with Islam and with proof Quenchedst the flaming red-coals of error and dismay..Conclusion..The news reached his father, who said to him, 'O my son, this damsel to whom thy heart cleaveth is at thy commandment and we have power over her; so wait till I demand her [in marriage] for thee.' But the prince said, 'I will not wait.' So his father hastened in the matter and sent to demand her of her father, who required of him a hundred thousand dinars to his daughter's dowry. Quoth Bihzad's father, 'So be it,' and paid down what was in his treasuries, and there remained to his charge but a little of the dower. So he said to his son, 'Have patience, O my son, till we gather together the rest of the money and send to fetch her to thee, for that she is become thine.' Therewith the prince waxed exceeding wroth and said, 'I will not have patience;' so he took his sword and his spear and mounting his horse, went forth and fell to stopping the way, [so haply that he might win what lacked of the dowry]..? ? ? ? I rede thee vaunt thee not of praise from us, for lo! Even as a docktailed cur thou art esteemed of me..129. The King of the Island cccclxxix.Advantages of Patience, Of the, i. 89..73. Mohammed el Amin and Jaafer ben el Hadi dclvii.Now this letter was written with ultramarine upon the skin of the hog-deer, the which is goodlier than parchment or paper and inclineth unto yellow, and was to the following effect: 'From the King of Hind, before whom are a thousand elephants and on the battlements of his palace a thousand jewels, [to the Khalif Haroun er Reshid, greeting]. To proceed: (209) we send thee some small matter of presents, which do thou accept and be to us as a brother and a friend, for that the love of thee aboundeth in our heart and we would have thee to know that we look to thee for an answer. Indeed, we are sharers with thee in love and fear, ceasing (210) never to do thee honour; and for a beginning, we send thee the Book of the Quintessence of Balms and a present after the measure of that which is fallen to our lot. Indeed, this is unworthy of thy rank, but we beseech thee, O brother, to favour us by accepting it, and peace be on thee!'
