He let them gaze and finger all they would;.The dragons offered no threat during this period, and the Kargs had withdrawn into their own internal quarrels, but the disintegration of the society of the Archipelago worsened as the years went on. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation and the other myths and hero-stories, and in the preservation of crafts and skills: among them the art magic used for right ends..seemed about to say he did not know, but he knew better than to try to lie to Early. He sighed.."Can I know the secret?" he asked after a while..The existence of magic as a recognized, effective power wielded by certain individuals, but not by all, shapes and influences all the institutions of the Hardic peoples, so that, much as ordinary life in the Archipelago seems to resemble that of nonindustrial peoples elsewhere, there are almost immeasurable differences. One of these differences may be, or may be indicated by, the lack of any kind of institutionalised religion. Superstition is as common as it is anywhere, but there are no gods, no cults, no formal worship of any kind. Ritual occurs only in traditional offerings at the sites of the Old Powers, in the great, universally celebrated annual festivals such as Sunreturn and the Long Dance, in the speaking and singing of the traditional songs and epics at these festivals, and, perhaps, in the performance of spells of magic..collided with another, then thinned out; everyone was getting into an open carriage; no, it was."I don't know it, sir.".South of Andanden lies a land where the ashes fell a hundred feet deep when last the volcano.The light went with her. He was alone in the dark. The cold grip of the spells took him by the throat and choked him, bound his hands, pressed on his lungs. He crouched, gasping. He could not think; he could not remember. "Stay with me," he said, and did not know who he spoke to. He was frightened, and did not know what he was frightened of. The wizard, the power, the spell... It was all darkness. But in his body, not in his mind, burned a knowledge he could not name any more, a certainty that was like a tiny lamp held in his hands in a maze of caverns underground. He kept his eyes on that seed of light..sun. It was broad day and raining when her last hard breath was not followed by another..thrown away. Like slaves' lives. Nobody can be free alone. They were both shivering, their teeth chattering. They stood face to face in the black lane, hardly able to see where the other was. Dragonfly put out her groping hand and met the witch's hand. They put their arms round each other in a fierce, long embrace. Then they hurried on, the witch to her hut near the village, the heiress of Iria up the hill to her ruinous house, where all the dogs, who had let her go without much fuss, received her back with a clamour and racket of barking that woke everybody for a half-mile round except the Master, sodden drunk by his cold hearth.."Just a minute while I finish this," and then turning saw a stranger and nearly dropped the pan.."If it's a real gift, an unusual capacity, that's even more true. A witch with her love potions can't do much harm, but even a village sorcerer, he said, must take care, for if the art is used for base ends, it becomes weak and noxious.... Of course, even a sorcerer gets paid. And wizards, as you know, live with lords, and have what they wish.". "You won't bring her into the Council Room?" the

Changer said in disbelief..Otter avoided them. Where they were was plain enough: the dusty pathways bent to miss them..All the teachers of the art magic on Roke were women. There were no men of power, few men at all, on the island..Ember usually scowled when he greeted her. She asked him abrupt questions, listened to his answers, and said nothing.. "Enough of that, my dear," Dulse said, laying his hand on it. "Come now. No wonder I kept thinking.Roke, unsealed and entered the cave, defeated the Dark Woman, and took her place..His old master was sitting in the grass near the pond, eating an apple. Bits of eggshell flecked the ground near his legs, which were caked with drying mud. When he looked up and saw Ogion's sending he smiled a wide, sweet smile. But he looked old. He had never looked so old. Ogion had not seen him for over a year, having been busy; he was always busy in Gont Port, doing the business of the lords and people, never a chance to walk in the forests on the mountainside or to come sit with Heleth in the little house at Re Albi and listen and be still. Heleth was an old man, near eighty now; and he was frightened. He smiled with joy to see Ogion, but he was frightened..had books, the Chronicles of Enlad and the History of the Wise Heroes.
