Bernard looked at him suspiciously. "Just what are you up to now?". "Watch it, watch it!". waited neither a lady nor a tiger, but an altogether unique specimen. Leilani would have preferred the 'T'm getting to know them.'. Dim gray rectangles float in the dark: curtained windows. He crosses the room toward them, struggling. The soft knock wasn't opportunity, but Micky said, "Come in.". telling them what to do? "Why should they?". Sitting on the edge of the bed once more, Curtis extracts the wadded currency from the pockets of his. "Looks like it," Sirocco agreed. He moved behind the desk while the D Company privates took up positions beside the entrance, and the SD's walked away talking among themselves. Wellesley and the Congress had tried to perpetuate the same injustices by eclipsing him with Borstein because he in4p't graduated from the right places or possessed the right credentials. They had tried to fob him off with the command of what they had seen as a proficient but small and unimportant corps of specialists. They had all paid too. Now they all knew who he was and where they stood. He had no regrets about Ramisson's death; it underlined the lesson more forcefully than any words could have done. He was only sorry he hadn't made a cleaner sweep by shooting them all. "This is private,," he murmured in a voice that was low but menacing. "Beat it.". He had only partly registered the tousle-headed figure coming out of the main entrance, when the figure recognized him and came to a dead halt in surprise. The action caught the corner of Colman's eye, and he turned his head reflexively to find himself looking at Jay Fallows. Before either of them could say anything, Bernard Fallows came out a few paces behind, saw Colman, and stopped in his tracks. It was too late for him to go back in, and impossible to walk on by. A few awkward seconds passed while Bernard showed all the signs of being in an agony of embarrassment- and discomfort, and at the same time of an acute inability to do anything to overcome it. Colman didn't feel he had any prerogative to make a first move. Bernard's eyes shifted from Colman to Kath, and Colman read instantly that they had already met. Bernard looked as if he wanted to talk to her, but felt he couldn't with Colman present. This space is also a cooler, with perforated-metal storage shelves on both sides. silent and as merciless as the cold stars beneath which they prowl. Or perhaps without warning, a. Otto smiled humorlessly. "Take a look at the other lunatics around you," he suggested. "What happened to all the people? Where did your army go? They're all Chironians now. And you have nothing to offer them but protection from the fear that you would

manufacture in their minds. But they have Chironian minds. They see that the fear is your fear, not theirs; and it is you who are in need of protection, not they." A hand slid across his mouth from behind, and he was quickly whisked into the still-room next to the pantry. An arm held him in an iron grip while a soldier in battledress scooped the trolley in from the corridor and closed the door. There were more of them in there, with a civilian. "Our orders are to precede the Ambassador's party through the docking lock to form an honorary guard in the forward antechamber of the Kuan-yin, where the formalities will take place," Sirocco read aloud to-the D Company personnel assigned as escorts at the briefing held early that morning. "Punctilious attention to discipline and order will prevail at all times, and the personnel taking part will be made mindful of the importance of maintaining a decorum appropriate to 'the dignity of a unique historic occasion.' That means no ventriloquized comments to relieve the boredom, Swyley, and the best parade ground turnout you ever managed, all of you. 'Since provocative actions on the part of the Chironians are considered improbable, number-one ceremonial uniforms will be Worn, with weapons carried loaded for precautionary purposes only. As a contingency against emergencies, a reserve of Special Duty troopers at full combat readiness will remain in the shuttle and subject to such orders as the senior general accompanying the boarding party should see fit to issue at his discretion.'" "Well, give us a call when you do, and we'll fix something up. I live in Franklin, so there shouldn't be too much of a problem. Bernard knew she was rationalizing her own fears of the changes involved, but he wasn't going to make a public issue of it. "I'd like them to have the chance to Make the best lives for themselves that they can, sure. They've got that chance right here. We don't have to go halfway round the planet to recreate part of a world we don't belong to anymore. It couldn't last. That's all over now. You have to bring yourself to face up to it, hon." "Of course not," Rastus said. "But everyone values what they have. I said the mind was an infinite resource, but only if you don't squander it. Don't you think that makes an interesting paradox?". Colman nodded. "Gone to the storeroom with Hanlon and Lechat. Everything was quiet upstairs when we left"..about.
