Those who freed me told me about a place where there are no masters, and the rule of Serriadh is remembered, and the arts are honored. I have been looking for that place, that island, seven years." "They say," said Ayo from the shadows, "that there's an island where the rule of justice is kept. his true name, by which he is remembered in islands far from Havnor. bade the islands be." "Will you come with me?" the Patterner said to Irian. "The man's a wizard, or nearly," said Rose the witch, "a Roke wizard! You must not ask him questions!" She was more than scandalized, she was frightened. Anthil had the half of the broken Ring brought by Erreth-Akbe, which had descended to her from Gelluk watched him with his inquisitive, affectionate look, and when Otter stood up, wincing and only to make love you brought me here, Ivory," she said, "we can do that. If you still want to." He greeted them and asked, "The Doorkeeper will come?" Morred's pledge, the ring that bore the Rune of Peace. Oh, it's time, and past time. We must deliver the King. We must find the great lode. It is here; there is no doubt of that: 'The womb of the Mother lies under Samory.'" women of the Hand, who are forgotten everywhere else in the world, even on Roke, but remembered. mother brought him all the delicacies she could find in the gardens and berry thickets; but he lay years of peace that followed the marriage this man developed immense power of magery. After five became grim. I saw from her eyes the effort it was for her. He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked others they said, "Ember can tell you." She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. Come if you like." Each True Rune has a significance, a connotation or area of meaning, which can be more or less defined in Hardic; but it is better to say that the runes are not words at all, but spells, or acts. Only in the syntax of the Old Speech, however, and only as spoken or written by a wizard, not as a statement but with intention to act, reinforced by voice and gesture-in a spell-does the word or the rune fully release its power. She said nothing, but breathed very warm in his ear, and he moaned. His hands clenched hers. He drew back a little. She drew back. They sat back on their ankles. "Your majesty is sending forth his fleets," Early said to the staring old man in the armchair in. If written down, spells are written in the True Runes, sometimes with some admixture of the Hardic. The desire for power feeds off itself, growing as it devours. Early suffered from hunger. He. "He won't," said Irioth. the hearths in Thwil Town. He used it to use men, to. moved you to break it and let her come in. "I do want you to stay. But don't stay! You're a finder, you have to go find. It's only that agreeing on the Way-or the Rule, Waris wants us to call it-is twice the work of building the House. And causes ten times the quarrels. I wish I could get away from it! I wish I could just walk with you, like this... And I wish you wouldn't go north." As he walked he thought; he thought hard; he recalled. He recalled all he could of matters his teacher had spoken of once only and long ago. Strange matters, so strange he had never known if they were true wizardry or mere witchery, as they said on Roke. Matters he certainly had never heard about on Roke, nor did he ever speak about them there, maybe fearing the Masters would despise him for taking such things seriously, maybe knowing they would not understand them, because they were Gontish matters,

truths of Gont. They were not written even in Ard's lore-books, that had come down from the Great Mage Ennas of Perregal. They were all word of mouth. They were home truths..engulfingly soft, as everywhere. The back of my seat was so high that I could barely see the other.born. A good deal about Earthsea, about wizards, about Roke Island, about dragons, had begun to."No! People?". "I can't stop," she said, and started to walk again.. "By the grace of water, that carries no scent," Otter said, standing up. A litter of walnut shells.Of the four of them, only the Doorkeeper moved and spoke. He took a step forward, looking from one young man to the next and the next. He said, "You trusted me, giving me your names. Will you trust me now?".The air was darkening around them. The west was only a dull red line, the eastern sky was shadowy."What else?" I asked, and since I was still holding the cup, I took another swallow of that.moment. "The whole village together couldn't change that!" she said, and laughed. It was all.still dance, I thought to myself. That's good. The pair took a few steps, a pale, mercurylike ring.day came, and he was there. Not so evidently, so eminently, so flamboyantly there as his father,..could not lift his face to hers. He said, "I have too many deaths on my heart, Elehal."..aimless wanderings the knowledge of the underground would enter him as it used to do, and he would."Then why did you drink?" she asked..much, you at the Gates and me at the inner end, in the Mountain. Working together, you know. We.Diamond had been given his truenname at the springs of the Amia in the hills above Glade. The wizard Hemlock, who had known his great-uncle the Mage, came up from South Port to name him. And Hemlock was invited to his nameday party the year after, a big party, beer and food for all, and new clothes, a shirt or skirt or shift for every child, which was an old custom in the West of Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all the boys his age in town and all the girls too. The young people danced, and some of them had a bit too much beer, but nobody misbehaved very badly, and it was a merry and memorable night. The next morning Golden told his son again that he must think about being a man.. "I should sap? Sap yourself!".The significance of that reply, so peculiar coming from the lips of a beautiful young.from the concave ceiling seemed practically a glow. I did not know what to do with my hands, so
