He lives in Franklin, so it wouldn't be far. Why don't you do that?".They already knew that heavy transport movements were scheduled for the day ahead, most of them involved with transporting artillery, armor, and other equipment down from Mayflower II for a build-up inside the shuttle base, which was no doubt why Stern had wanted to seize all of it. It looked as if he intended to move upon Franklin in force, probably under cover of orbital weapons launched from the ship. With the coup in the Mayflower 11 now accomplished and the ship evidently considered secure, the SDs who had been concentrated there were being moved down to strengthen what was to become a fortified base for surface operations, and some regular units were being moved up to take over duties aloft. Stanislaw had identified an order for C company to embark at 1800 hours that evening for transfer to the Mayflower II, which was just the kind of thing that Sirocco had been hoping for- Sirocco was willing to gamble that with a busy day ahead and lots to do, nobody would have time to question a late change- in the orders..me, ma'am. Displays of undue familiarity were hardly to be expected between echelon-six and echelon-four personnel, naturally, but even allowing for that, Fallows always found himself in acute discomfort within seconds of entering a room with Merrick in it, especially when nobody else was present. This time he wouldn't let it happen, he had resolved for the umpteenth time back in the corridor. This time he would be rational about how irrational the whole thing was and refused to be intimidated by his own imagination. Merrick had not singled him out as any special object of his disdain. An '81 Camaro that still somewhat resembled a stretch limousine, perhaps with a complimentary heroin lollipop...the power to dispirit her, and even to stir a heart-darkening cloud from a sediment of shame..Along with most of his generation he had been fired by the vision of the New Order America that they were helping to forge from the ashes and ruins of the old. Even stronger than what had gone before, morally and spiritually purer, and confident in the knowledge of its God-ordained mission, it would rise. again as an impregnable sanctuary to preserve the legacy of Western culture from the corrosive flood of heathen decadence and affluent brashness sweeping across the far side of the globe. So the credo had run. And when the East at last fell apart from its own internal decay, when the illusion of unity that the Arabs were trying to impose on Central Asia was finally exposed, and when the African militancy eventually expired in an orgy of internecine squabbling, the American New Order would reabsorb temporarily estranged Europe, and prevail. That had been the quest..He decides to continue being Curtis Hammond. Thus far no one has connected the name to the."I don't like the idea of a limited military presence down there," Borstein said. "We're trusting the Chironians too much. I still say they could have strength that they're not showing yet. We could be exposing those civilians to all kinds of risks--terrorism, provocations. What if they get hit by surprise? I've seen it all before."-an unfamiliar face by the side of Swyley, who was still standing. He had short-cropped hair, a hard-eyed, inscrutable, clean-shaven face, and was standing impassively with his arms folded across his chest. "Who's this?" Sirocco said "He's not from D Company," laughter of a secretly forlorn clown: genuine if you listen with just your ears, but sadly fraudulent if you."Over two years ago. I was seven going on eight."as you might expect, she uses more-colorful language. One of my pacts with God is that I won't be as.Cynicism soon turned to rebellion as more of the Terran population came to perceive Phoenix not as a protective enclave, but at worst a prison and at best a self-proclaimed lunatic asylum. Apartment units were found deserted and more faces vanished as expeditions to Franklin came increasingly to be one-way trips. Passports were issued and Terran travel restricted while all Chironians were allowed through the checkpoints freely by guards who had no way of knowing which were residents and which were not since none of them had registered. The sentries no longer cared all that much anyway; their looking the other way became chronic and more and more of them were found not to be at their posts when their relief showed up. An order was posted assigning at least one SD to every guard detail. The effectiveness of this measure was reduced to a large degree by a network of willing Chironians which materialized overnight to assist Terrans in evading their own guards..- out of the way. It was a communication from Leighton Merrick, the Assistant Deputy Director of Engineering in the Mayflower II, routed for comment via Headquarters and Brigade. It advised that, due to an unexpectedly high rate of promotions among junior technicians, Engineering was now able to give "due reconsideration" to the request for transfer filed by Staff Sergeant Colman. Would the Military please notify his current disposition? "Looks like they're running out of Indians," Sirocco remarked. "What do you want me to say?".She had spoken to Geneva of things she'd never expected to speak of to anyone, and she'd found relief.Tiny pill bugs curled as tightly as threatened armadillos. All these and more had been rescued by this.task is to stop any SD's getting out and, more important, to stop Stern and his people from getting in if things go well and they realize they can't hold the rest of the ship. What we have to prevent at all costs is Stern and Stormbel getting in there and detaching the module so that it can threaten the rest of the Mayflower II as well as the planet.Then: big trouble..gunship, surely armed with machine guns, possibly with rockets. I've seen it all before."."I need more than a few right now. How much did your Navigator cost?" Noah asked..she saw more in Micky's face than she cared to see. She switched on the light above the sink, returning."Great idea," Colman said and stood up. Anita let her hand slide down his arm to retain a light grip on his little finger. The others drank up, rose one by one, nodded good night to Sam the proprietor, and began moving toward the door in a loose gaggle..Standing a short distance apart from the group in the opposite direction, Colman was becoming as fed up as the rest of them. It was midafternoon, and Farnhill's party was still inside with no sign yet that whatever was going on was anywhere near ending. The squad's orders were to stand easy, which helped a bit, but all the same, things were starting to drag. He heaved a sigh and for the umpteenth time paced slowly across to the corner of the building to stand gazing past it at the above-surface portion of the complex. Behind him, Driscoll and Stanislaw stopped talking about Carson's sex lie abruptly as two Chironians stopped by on their way to the entrance..Micky watched their guest take a long drink.
