And Merry Christmas." houses in the compound, and now you see Bruce standing beside the corral, looking into his viewer, "We'll see, won't we?" "But how did the remains get so far below ground?" Ralston asked. "You'd expect them to be high up. The winds couldn't bury them that deep in only twelve thousand years." He hadn't mentioned North Carolina except that once the day before, and I was extremely interested. On a day exactly eight months after the disaster, two discoveries were made. One was in the whirling garden and concerned a new plant that was bearing what might be fruit. They were clusters of grape-sized white balls, very hard and fairly heavy. The second discovery was made by Lucy McKillian and concerned the absence of an event that up to that time had been as regular as the full moon. Johnny Peacock came by an hour later acting very conspiratorial. Detweiler had suggested a bridge game that night, but Johnny didn't play bridge, and so they settled on Scrabble. He grinned with pleasure. "Thanks. It's for a paperback cover." Then she was gone, gliding off into the night where the drums thudded in distant darkness. "Yes, I am really the North Wind," came the thunderous voice. "Now you tell me who you are before. Since I first heard her in Washington, I've loved this song the best. I push more keys. Eighty-two. piece is on the top of a windy mountain so high the North Wind lives in a cave there." ASIMOV'S Asimov the Early. "It covers sixteen acres." I helped her to her feet and into her cape. With a hand under her elbow, I guided her out of the Beta. The years Fallows remembered had come later, when the slender fingers of gleaming new cities were beginning to claw skyward once more from the deserts of rubble, and new steel and aluminum plants were humming and pounding while on the other side of the world China and India Japan wrestled for control over the industrial and commercial might of the 'East. Those had been stirring years, vibrant years, inspiring years. Fallows remembered the floodlit parades in Washington on the Fourth of July-the color and the splendor of the massed bands, the columns of marching soldiers with uniforms glittering and flags flying, the anthems and hymns rising on the voices of tens of thousands packed into Capitol Square, where the famous building had once stood. He remembered strutting into a high-school ball in his just acquired uniform of the American New Order Youth Corps and pretending haughtily not to notice the admiring looks following him wherever he went. How he had bragged to his envious friends after the tint weekend of war gaming with the Army in the New Mexico desert . . . the exhilaration when America reestablished a permanently manned base on the Moon..better, just bigger.. "But why?" Dan asked..I smiled and spoke some platitudes about the vast technical expertise available at the Megalo Corporation and their ability to respond quickly to any technical challenge.
